## PROFILE

**4N TeleSoft** Is a Chandigarh based Company in the business of providing mobile phone and wireless communication service, on Domestic and International basis. We have a very simple vision. A vision to get people connected cost effectively. With this in mind we have been able to bring to you communication options that are cheaper and convenient.

We started operations in 1995 by offering short term mobile phone service across New Delhi. With the experience of these past several years, we have emerged as the undisputed leader in cellular phone rentals in India enabling individuals, corporate and foreign mission (during diplomatic visits) of all sizes to communicate wherever there is a cellular phone network. Today we offer you the best in mobile services both in India and overseas.

Since inception, we have aimed to be the **best in service, quality, innovation** and **choice**. Even today, we are dedicated to the same. For instance, we were the first to introduce concept of **local connectivity**, by offering country specific mobile connections and have successfully catered to your needs. We are also constantly increasing our portfolio of countries and focusing on unique communication solutions. This way you stay connected wherever you are and that too, without being concerned by astronomically high bills.

**We keep you connected cost effectively. Always!**

### Spanning the Globe

As a communication company, with the expertise to take care of everyone, i.e.: large corporate, small businesses or individuals, we are committed to providing services which offer you the convenience of keeping in touch wherever you go. The philosophy of serving unique needs of our clientele and specializing in distinct cellular and wireless services from different service providers to meet your diverse communication requirements.

We are associated with leading telecom companies across the world with the back office operations in India which in turn offer the best communication solution to globe trotters like you. We pride ourselves in offering a host of Premier Value Added Services like GPRS, which put you in control of communication with both people and information. Through partnerships that enable us to provide local connectivity, we have built global customer base to which we offer customized and personalized solutions and services.

### Student Solutions

We also provide mobile connections for students going for higher studies to

U.S.A, U.K and Australia. With the facilities that we offer, students can forget their worries about communicating back home. The exorbitant charges on

International Roaming, the expensive charges and strictures on prepaid calling, and limitations of landlines will be a thing of the past to these students.

**With us they get Tariff Plans which offer low call and text charges, free phones and other features which are perfectly suited to their specific needs.**

### **INTERNATIONAL SOLUTIONS INTRODUCTION**

Cellular communication makes life easier. But it brings along the anxieties of escalating bills, especially if you are a frequent overseas traveler since, roaming costs are exorbitant.

Firstly, you have to bear the ISD charges for all calls that you receive.

Secondly, it may not be possible for you to inform all your contact persons that you are traveling out of the country. In effect, you receive a lot of unwanted calls.

**Now, you can cut down your international mobile expenses by almost 2/3rd\* with a country specific mobile connection from 4N TeleSoft.**

Enjoy lower call rates, free incoming calls\*, per second pulse\* and experience seamless connectivity.

4N TeleSoft is the perfect solution to escalating international mobile bills, poor connectivity, unwanted calls from telemarketers received at odd hours experienced while using international roaming. Since it is a post paid mobile connection it takes care of the recharging problems experienced while using pre paid cards, and with the availability of itemized bills you know exactly what you've paid for.

With 4N TeleSoft you can get your mobile number before you travel, so you can pass it on to the people you want to stay in touch with. Our unique combination of low airtime rates, global coverage, courteous 24X7 customer care and toll free number, gives us an edge in the travel communications industry and make us the choice of many businesses, government agencies, and individual travelers.

At 4N TeleSoft, we act as your Telecom Consultants and suggest you communication solutions which best suites your need. For instance, we would suggest you to use any other communication service, where we feel that
